Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with IAS 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed consolidated interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 31 March 2025 condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting'.

## Other Matter

The condensed consolidated interim financial statements of the Group for the three-month period ended 31 March 2024, were reviewed by another auditor who expressed an unmodified conclusion on those condensed consolidated interim financial statements on 13 May 2024 and the consolidated financial statements of the Group as at and for the year ended 31 December 2024 were audited by another auditor who expressed an unmodified opinion on those consolidated financial statements on 13 February 2025.

#### 4 Application of new and revised International Financial Reporting Standards (IFRS)

The following new and revised IFRSs, which became effective for annual periods beginning on or after 1 January 2025, have been applied in these condensed consolidated interim financial statements:

***Amendments to IAS 21 - Lack of Exchangeability (effective 1 January 2025)*** - An entity is impacted by the amendments when it has a transaction or an operation in a foreign currency that is not exchangeable into another currency at a measurement date for a specified purpose. A currency is exchangeable when there is an ability to obtain the other currency (with a normal administrative delay), and the transaction would take place through a market or exchange mechanism that creates enforceable rights and obligations.

Other than the above, there are no other material IFRSs and amendments that were effective for the first time for the financial period beginning on or after 1 January 2025. The application of these amendments to IFRSs has not had any material impact on the amounts reported for the current period but may affect the reporting for the Group's future transactions or arrangements.

The Group has not early adopted new and revised IFRSs that have been issued but are not yet effective.

***Sale or contribution of assets between an investor and its associate or joint venture – Amendments to IFRS 10 and IAS 28\**** - The IASB has made limited scope amendments to IFRS 10 Consolidated financial statements and IAS 28

**Notes to the condensed consolidated interim financial statements  
for the three-month period ended 31 March 2025 (continued)**

**4 Application of new and revised International Financial Reporting Standards (IFRS)  
(continued)**

Investments in associates and joint ventures. The amendments clarify the accounting treatment for sales or contribution of assets between an investor and its associates or joint ventures. They confirm that the accounting treatment depends on whether the non-monetary assets sold or contributed to an associate or joint venture constitute a 'business' (as defined in IFRS 3 Business Combinations).  
(\*effective date to be determined)

***Amendment to IFRS 9 and IFRS 7 - Classification and Measurement of Financial Instruments (effective 1 January 2026)***

These amendments:

- clarify the requirements for the timing of recognition and derecognition of some financial assets and liabilities, with a new exception for some financial liabilities settled through an electronic cash transfer system;
- clarify and add further guidance for assessing whether a financial asset meets the solely payments of principal and interest (SPPI) criterion;
- add new disclosures for certain instruments with contractual terms that can change cash flows (such as some instruments with features linked to the achievement of environment, social and governance (ESG) targets); and
- make updates to the disclosures for equity instruments designated at Fair Value through Other Comprehensive Income (FVOCI).

***IFRS 18 Presentation and Disclosure in Financial Statements (effective 1 January 2027)*** - This is the new standard on presentation and disclosure in financial statements, with a focus on updates to the statement of profit or loss. The key new concepts introduced in IFRS 18 relate to: the structure of the statement of profit or loss; required disclosures in the financial statements for certain profit or loss performance measures that are reported outside an entity's financial statements (that is, management-defined performance measures); and

***IFRS 19 Subsidiaries without Public Accountability: Disclosures (effective 1 January 2027)*** - This new standard works alongside other IFRS Accounting Standards. An eligible subsidiary applies the requirements in other IFRS Accounting Standards except for the disclosure requirements and instead applies the reduced disclosure requirements in IFRS 19. IFRS 19's reduced disclosure requirements balance the information needs of the users of eligible subsidiaries' financial statements with cost savings for preparers. IFRS 19 is a voluntary standard for eligible subsidiaries. A subsidiary is eligible if: - it does not have public accountability; and - it has an ultimate or intermediate parent that produces consolidated financial statements available for public use that comply with IFRS Accounting Standards.

The Group is currently assessing the impact of these standards on the future condensed consolidated interim financial statements of the Group, and intends to adopt it, if applicable, when it becomes effective.

#### 20 Taxation

On 9 December 2022, the UAE Ministry of Finance released Federal Decree-Law No. 47 of 2022 on the Taxation of Corporations and Businesses (Corporate Tax Law or the Law) to enact a Federal corporate tax (C1) regime in the UAE. The CT regime has become effective for accounting periods beginning on or after June 1, 2023. The Cabinet of Ministers Decision No. 116 of 2022 (widely accepted to be effective from January 16, 2023) specified the threshold of taxable income to which the 0% UAE CT rate would apply, and above which the 9% UAE CT rate would apply. It is widely considered that this would constitute 'substantive enactment' of the UAE CT Law for the purposes of IAS 12, the objective of which is to prescribe the basis for accounting for Income Taxes.

Current tax is measured at the amount expected to be paid to or recovered from the tax authorities by reference to tax rates and laws that have been enacted or substantively enacted, by the end of any reporting period. Since the Group is expected to pay tax in accordance with the provision of the "Domestic Minimum Top-up Tax" (DMTI) which will be implemented with effect from January 1, 2025 at the rate of 15%, accordingly provision for current taxes have been accounted for on the same basis in these condensed consolidated interim financial statements for the period ended 31 March 2025.

	<i>31 March 2025 (Unaudited) AED'000</i>	<i>31 March 2024 (Unaudited) AED'000</i>
Current tax expense	<b>50,214</b>	24,767
Deferred tax expense	-	-
	<b>50,214</b>	24,767

For determining the tax expense for the period, the accounting profit has been adjusted for tax purposes. Adjustments for tax purpose include items relating to both income and expense. After giving effect to these adjustments, the average effective tax rate is estimated to 14.13%.

### Notes to the condensed consolidated interim financial statements for the three-month period ended 31 March 2025 (continued)

#### 20 Taxation (continued)

##### *Deferred taxes analysed by type of temporary difference:*

Differences between IFRS Accounting Standards and statutory taxation regulations in the United Arab Emirates give rise to temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and their tax bases. The Group has concluded that the tax effect of the movements in these temporary differences was not material to the condensed consolidated interim financial statements for the period ended March 31, 2025.

##### *Pillar Two Model Rules*

In 2021, the Organisation for Economic Cooperation and Development ("OECD") published the Global Anti-Base Erosion Model Rules ("Pillar Two Model Rules") with an objective to address the tax challenges arising from the digitalisation of the global economy.

The Group qualifies to be in scope under the Pillar Two Model Rules. However, as at the reporting date, the Group does not have any operations in jurisdictions that have enacted or substantively enacted Pillar Two Model Rules and as such, there is no financial impact on the Group in the consolidated financial statements for the year ended December 31, 2024.

On December 9, 2024, the concerned authorities in United Arab Emirates announced that a "Domestic Minimum Top-up Tax" (DMTT) will be implemented with effect from January 1, 2025. Since, draft or final implementing laws or regulations in this regard have not been published, the Group is not able to assess the impact of this as at reporting date.

In the event that DMTT is aligned with the principles of the Pillar Two Model Rules. The Group is closely monitoring further developments and legislations that will impact the overall Pillar Two tax position on a going-forward basis. The Group has also opted to the exception available for recognising and disclosing information about deferred taxes assets and liabilities related to Pillar Two income taxes as available in International Accounting Standard - IAS 12 "Income Taxes".
