**DESIGNATED LABORATORIES FOR COVID-19 TESTING FOR INBOUND
PASSENGER TRAVEL TO PAKISTAN FROM UAE AND BAHRAIN**

Based on input received from our Missions in United Arab Emirates and Bahrain, a list of Laboratories based in UAE and Bahrain has been compiled by the relevant Forum. With effect from **May 29, 2021**, all airline operators operating to/from Pakistan are directed to accept negative COVID-19 PCR Tests conducted only by the laboratories mentioned in the enclosed list.

2. This directive is part of the national drive to curb the spread of COVID-19 in Pakistan and the onus of contributing to this National cause falls on all concerned stakeholders. All airline operators are therefore directed to accept only passengers holding valid negative PCR Test results from one of the designated laboratories for inbound travel to Pakistan. Any case of non-compliance or failure to ensure implementation with this directive will be dealt with strictly in accordance with applicable rules and regulations.
